

Founded in 1987, Swim Across America has the highest Guidestar Platinum level of recognition plus 4 Star Charity Navigator rating possible for a charitable organization. Our local SAA Nassau/Suffolk branch was created in 2001 and has **raised \$14 million** to date **to fund breakthrough cancer research and cutting-edge immunotherapy and expanded treatment options** at Memorial Sloan Kettering Cancer Center, Cold Spring Harbor Laboratory, Feinstein Research Institute at Northwell Health, MD Anderson Children's Cancer Hospital, SHARE Cancer Support & Weill Cornell Cancer Center.

We're celebrating our silver anniversary in 2025 with TWO SAA swim days:  
Friday August 1 in Cold Spring Harbor with the return of the iconic 10K Swim  
Saturday, August 2 in Glen Cove with ½ Mile, 1 Mile, 2 Mile & 5K swim options
